

Packing For Your Trip

Suggested Clothing

During the austral summer the average temperature in the Antarctic Peninsula area is about 0°C (32°F), although sometimes it may feel lower because of the wind chill factor. For this reason, it is best to wear several layers of light, warm clothing. The suggested clothing for Antarctica is very similar to that recommended for skiing: thermal underwear, a couple of warm and wicking mid-layers, a windproof and waterproof jacket, plus pants as the outer layer. You will also need a hat, a scarf, waterproof and insulated gloves, and sunglasses with high UV protection. The pre-departure material provides further details. We also suggest packing comfortable clothes to wear on board, as well as rubber-soled shoes for walking around on the outside decks.

EXPEDITION JACKET

Our Signature Waterproof Expedition Jacket has been hand-selected for you as the perfect, technical outer shell for use on our Antarctic air-cruises.

Designed for a wide range of outdoor activities, the Ghost Pro jacket by Ansilta® is compact and lightweight. This versatile garment is ideal when impermeability and breathability are needed. The jacket has a slim and minimalist design, providing a very comfortable fit. It is made with GORE-TEX® fabric combined with Gore C-KNIT Backer Technology, which improves breathability by up to 15% through a less bulky and more robust 3-layer construction.

Only available in the Antarctica21 Gear Shop at www.antarctica21.com

Note: Jacket model is subject to change. Please review model and price at the time of purchase.
